Pet Hotel and Spa

Our new facility, Clayton Pet Hotel and Spa, offers a wide array of services including boarding, grooming, doggie daycare, and training. Our boarding packages can be tailored to meet the needs of your pampered pet. Cats can also be boarded at our facility in a separate cat room designed just for them. Cats are required to have current distemper and rabies vaccinations as well as a current negative feline leukemia test. Dogs must be current on distemper, kennel cough and rabies vaccinations. Animals requiring special care including medication are invited to make use of our deluxe accommodations as well. Our proximity behind Clayton Animal Hospital provides peace of mind for all of our owners.

Call today and schedule a vacation for your pet.

**Dr. Beth Weisberger
BS, MS, DVM**

Dr. Weisberger grew up in Akron, OH, earned her BS from Miami University in Oxford, OH, and MS in Herpetology, from Auburn University in Alabama. Dr. Weisberger then received her veterinary degree from Ohio State University in 1990.

Dr. Weisberger began her internship with Miamitown Pet Hospital and Peachgrove Veterinary Hospital in Cincinnati before coming to the Dayton Animal Hospital. She worked with Doctors Smith and Fergus at all of our satellite offices, Gettysburg Animal Clinic, North Main Animal Clinic and Clayton Animal Hospital. In 1995, Dr. Weisberger became a partner of the corporation.

Dr. Weisberger is a member of the Humane Society Veterinary Advisory Board, Miami Valley Veterinary Medical Association, OVMA and the AVMA.

Dr. Weisberger has 3 dogs, 3 cats and 2 horses at home, and spends her free time bicycling, hiking and competing in three-day equestrian events.

**Dr. Susan Fife
BS, DVM**

Dr. Susan Fife grew up in Florida. She has received her veterinary medical degree from the University of Florida in 1996.

Dr. Fife had a strictly acupuncture, chiropractic practice in Northern Illinois, than moved to Ohio to train with the Ohio FEMA team for K9 Disaster Rescue.

Dr. Fife especially enjoys senior care, rehabilitating post-surgical patients and caring for canine athletes.

In her time away from the hospital, Dr. Fife likes to read, watch movies, and spend time with her animal family which includes three dogs, a cat and a horse. She also trains for Search and Rescue with her German Shepherd, Gryphon, who is certified by the National Search and Rescue Association for wilderness Search and Disaster Rescue.

**Dr. Keith Dryburgh
BS, DVM**

Dr. Dryburgh grew up in Youngstown, OH. He earned his BS in biology and music from Westminister College, PA in 2001 and his DVM from the Ohio State University in 2007. Prior to his veterinary career he had been a research assistant at the OSU CVM where he investigated the genetics of inherited heart muscle diseases in Main Coon cats, Dobermans, and Boxers.

Dr. Dryburgh is currently steward of an 8-year old Greyhound, a rescue adopted during veterinary school through the canine blood bank at Ohio State. An accomplished musician on violin and piano, Dr. Dryburgh also enjoys outdoor activities including wildlife conservation, scouting, volleyball, snow skiing, and biking.

**Dr. Amy Clingner
BS, DVM**

Dr. Clingner grew up in Union, OH and graduated from Northmont High School. She graduated from Otterbein College in 1996 with a BS in Life Science. Dr. Clingner then earned her veterinary medicine degree in 2000. She has been practicing at the North Main office since October, 2004.

Dr. Clingner is a member of the MVMMA, OVMA and the AVMA. She enjoys reading, scrap booking and being outdoors.

Dr. Clingner has been married to husband Brian since 1998. They have two sons, Logan and Owen, and a daughter Lily.
